for Private Label
and Contract Coffee
Manufacturing*

BREWING THE GOOD IN COFFEE AND DEVELOPING THE RIGHT SOLUTIONS FOR OUR CUSTOMERS

We are your trusted experts in private label and contract manufacturing. With more than a century of experience, our capabilities go far beyond the ordinary.

A Private Label and Contract Coffee Roaster Since 1906!

Privately held BRC AA coffee roaster based in Toronto, Canada.

300+ person dedicated team of skilled coffee experts.
300,000+ sq. ft. of roasting, manufacturing and distribution, with a dedicated single serve production facility and capacity for growth.

Building Growth Through Category Thought Leadership and Innovation

Your success is our success - we love collaborative customer partnerships.

We share our key learnings and experience.

Our investment in innovation never stops.

EXPERTS

WE'RE AS PASSIONATE ABOUT YOUR BRAND AS WE ARE ABOUT COFFEE

We work closely with our private label and branded customers to manufacture quality products to exacting standards, resulting in best-in-class products and programs.

We Protect Your Brand

All facilities audited under GFSI with 8 consecutive years of “A” or better rating.

Double “AA” BRC rating for the last 4 years:

- HACCP Plan

- Allergen Plan

- FSQM Program

- Critical to Quality Checks.

Full Traceability

Sustainable, green coffee origins, sourced to harvest location with full traceability.

Certificates of origin tracing back to original mill/container.

Annual traceability audits conducted with certifying bodies.

EXPERTS IN PRIVATE LABEL AND CONTRACT MANUFACTURING

Since 1906, Club Coffee has built a reputation for quality, sustainable innovation, and a commitment to delivering results for our customers.

We are your trusted brand steward, creating turnkey beverage solutions tailored to your needs.

One of the largest coffee roasters in North America with scale to serve your brands.

A key coffee partner for top selling North American brands and leading retailers.

A true leader, driving industry-first sustainable innovation in single serve beverages.

Innovative products and packaging.

The long-term partner of choice for major foodservice customers.

Packaging formats to meet your needs, including:

Compostable single serve pods[†]

Compostable⁺ Espresso Capsules

Single Serve Compostable Pods⁺

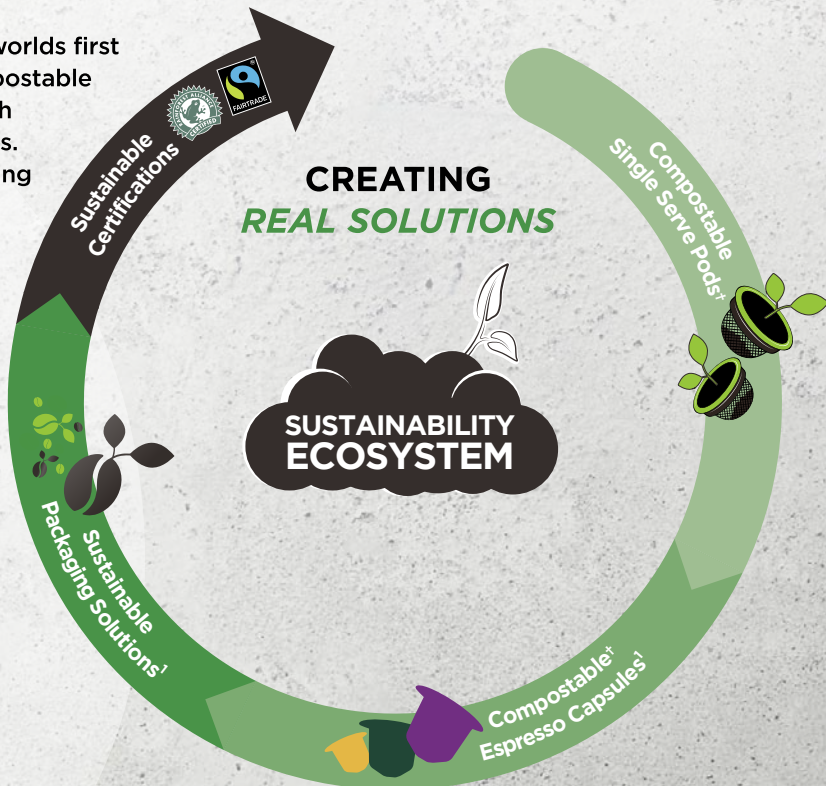

Flexible packaging sizes for all channels of distribution.

WE BUILD GROWTH THROUGH CATEGORY LEADERSHIP AND SUSTAINABLE INNOVATION

Consumers want real answers to packaging waste, especially single serve plastics. Experts see Certified 100% Compostable[†] packaging as the answer – and we're rising to the challenge.

PURPOD100™ is the worlds first Certified 100% Compostable pod[†], compatible with K-Cup®* style brewers. And we're not stopping there. We're building a sustainable coffee ecosystem to meet today's consumer demands by creating the right solutions for our customers AND the environment. Look for our new compostable[†] Nespresso-compatible** espresso capsules.

THE PREMIUM 100% SUSTAINABLE COFFEE EXPERIENCE

THE RIGHT SOLUTION FOR SINGLE SERVE COFFEE,
BETTER FOR YOU, BETTER FOR THE PLANET

Great quality, taste and aroma in the world's first Certified 100% Compostable single serve pod[†], compatible with Keurig®* K-Cup®* brewing systems.

PURPOD100™ delivers the convenient, high quality coffee you expect in a single serve format, without the waste.

Our single serve pods are made with plant-based materials and are compostable[†] in industrial composting facilities (where accepted - check locally).
